

**Ten-Day Training Programme on  
Research Methodology in Social Sciences  
for MPhil/PhD Scholars  
January 4–14, 2022**

---

The Institute for Studies in Industrial Development (ISID), New Delhi, is organising a Ten-day Training Programme on Research Methodology in Social Sciences for young research scholars of Indian Universities/colleges/academic institutions from January 4–14, 2022, sponsored by the Indian Council of Social Science Research (ICSSR), New Delhi. The objective of the programme is to provide in-depth coverage of various aspects of research methodology, quantitative and qualitative methods, data preparation, empirical analysis, report writing and emerging perspectives in social science research with a special focus on industrialization and development.

The programme will be conducted through online and necessary materials/e-resources will be provided. Lectures, evaluation and feedback will be taken accordingly.

Interested candidates may apply on or before **December 15, 2021** at: <https://isid.org.in/research-methodology-course-2022>. Selected candidates will be informed through email. For any queries, contact: [rmcisid2022@gmail.com](mailto:rmcisid2022@gmail.com)
